

Course Equivalency Guide St. Clair Community College

Purpose

The purpose of this guide is to list the St. Clair Community College courses that are required for a Bachelor of Business at Wayne State University. This is not a complete listing of the coursework necessary to earn a degree from Wayne State University.

Requirements

The undergraduate program requires a minimum of 122 credit hours through five types of courses: business foundation, core, major, University general education requirements and elective courses. The maximum number of credits from a two-year school that will be applied to a bachelor degree in business is 64 semester hours. Completion of a MACRAO stamp or Michigan Transfer Agreement (MTA) is also strongly recommended.

**A minimum 2.5 GPA is required to enroll in 3000 level or higher
Business Core and Major courses at WSU.**

A grade of "C" (2.0) is required for any course to transfer into WSU.

Majors

Students may choose from six undergraduate majors: Accounting, Finance, Global Supply Chain Management, Information Systems Management, Management, and Marketing.

Advising

Specific course requirements vary by major area of study. You are strongly encouraged to work with a Wayne State Academic Advisor to create an academic plan for your degree.
