

REQUEST TO ADD/REMOVE A MASTER OF SCIENCE IN ACCOUNTING (MSA) CONCENTRATION

To complete a concentration, students must complete specific classes listed unless noted otherwise on the MSA plan of work. The Concentration will appear on the student's transcript, but not on the diploma. Students can only declare one MSA concentration.

Eligibility:

- Only students enrolled in the MSA program are eligible to add an accounting concentration
- You must be in good academic standing and making satisfactory academic progress with a minimum 3.0 GPA
- Concentration request forms must be complete and submitted a semester/term before you apply for graduation. Once your graduation audit has started, you may no longer declare a concentration.

Student Instructions:

Complete this section of the form and submit it to the Ilitch School of Business Graduate Programs Office.
