

Purpose

The purpose of this transfer plan is to list the Washtenaw Community College (WCC) courses that are required for a Bachelor of Science in Business Administration (BSBA) at Wayne State University. This is not a complete listing of the coursework necessary to earn a degree from Wayne State University. This transfer plan is effective beginning in Fall 2019.

Requirements

The undergraduate program requires a minimum of 120 credit hours through five types of courses: business foundation, core, major, university general education requirements and elective courses. **The BSBA does not have a foreign language requirement.**

WSU **strongly** recommend that all transfer students **fulfill their general education requirements through the [Michigan Transfer Agreement \(MTA\)](#) before transferring to WSU.** Each community college has an MTA approved course list of its own, so please refer to the list of courses that your respective community college has approved for MTA. If you do not have an MTA or MACRAO endorsement, you can transfer each course from the WSU's gen ed category here: [Michigan Community College General Education Tables](#).

Students must fulfill requirements for the college/major of interest below. Wayne State will waive the 64 semester transfer rule and will accept a maximum of 82 credits from WCC with the completion of an Associate of Arts in Business or Associate of Applied Science in Accounting or Supply Chain Management.

**A minimum 2.5 GPA and 54 credits is required to enroll in 3000 level
 or higher Business Core and Major courses at WSU
 A minimum grade of "C" (2.0) is required for any course to transfer into WSU**

Majors

Students may choose from six undergraduate majors: Accounting, Finance, Global Supply Chain Management, Information Systems Management, Management, and Marketing.

Advising

Specific course requirements vary by major area of study. You are strongly encouraged to work with a Wayne State Academic Advisor to create an academic plan for your degree.
