

Activities to do with your Mentee

Below you will find some activities to do with your mentee or to use as “homework” for your mentee.

Recommended Activities

- Personality Tests/Career Path Tests ([MyersBriggs](#) [Careerfitter](#) , LinkedIn assessments etc.)
 - create a relevant project for your mentee to do
 - Allow your mentee to work on a current project of yours
 - add debriefing sessions to every meeting
 - Improv mock interviews
 - Create elevator pitches or professional summary statements
 - Allow your mentee to attend staff meetings, webinars or visit your workplace
 - Provide resources for job databases, certification, etc and have mentee provide 3 or more interesting jobs/certifications they want to explore
 - Provide feedback on resumes, cover letters, portfolios
 - Teach your mentee a skill you have mastered that is relevant to their professional development and conduct an assessment of that skill
 - Have your mentee teach you a skill
 - Select an article/book for you both to read and discuss
 - Invite your mentee to a networking event and have them collect at least 3 business cards from attendees to follow up
-
